Attn: Patent Draftsperson  
Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicant is resubmitting the formal drawings (4 sheets) in connection with the above-identified application. Applicant's attorney telephoned the U.S. Patent Office Publication Branch to inquire as to the expected issue date, as the Issue Fee and Formal Drawings were filed on September 25, 2001. Patent Office personnel stated that records show that the Issue Fee was paid, but that the drawings were not on file. Patent Office personnel advised that a resubmission of the drawings should be sent due the fact that the drawings were filed during the month of September and the Post Office may have delayed delivery.

Thus, in this regard Applicant respectfully resubmits a copy of the four sheets of formalized drawings for the above-identified application. A copy of Applicant's original submission letter is attached as reference.
